Dear visitors,

whether concerts, shows, sporting or business events - we want you
to feel

we want you to feel safe and enjoy your event experience with us.

We have therefore adapted our security measures and would like to
ask for your support and understanding.

In addition to consistent admission and security checks, we would
like to ask you to refrain from bringing larger items of luggage, such
as backpacks, **large bags** (maximum DIN A4 size),
notebooks, tablets or other technical devices and bulky

These items may not be brought into the hall duo. Therefore, please
leave them - if possible - in your car.

If this is not possible, you can leave these items outside the hall duo
for a fee.
